Hello! I'm Billie Eilish and this is my cool and normal routine! I get (get) up at 10 o'clock and Finneas get (get) up at 1 o'clock. I make (make) lunch but my mom make (make) the dinner. I love her meals! We have (have) breakfast at home. Next, we go (go) to the studio. Finnies play (play) the guitar and I sing (sing). After recording some songs, I hang (hang) out with my best friend, Cynthia! I'm super famous so I can't go to public places so we stay at home. There, she tidy (tidy) my room and then we play (play) computer games. Then, she go (go) to bed and watch (watch) T.V and I listen (listen) to music or I play (play) the guitar in bed. I love my "normal" life! :p
