Ms Arooj

Subtraction with regrouping

$$\begin{array}{r} \square\square \\ 25 \\ -\ 6 \\ \hline \square\square \end{array} \qquad \begin{array}{r} \square\square \\ 15 \\ -\ 9 \\ \hline \square \end{array} \qquad \begin{array}{r} \square\square \\ 11 \\ -\ 3 \\ \hline \square \end{array} \qquad \begin{array}{r} \square\square \\ 40 \\ -\ 8 \\ \hline \square\square \end{array}$$

Use a paper to solve this. Then write your answer in!

There were 56 tins of pineapple. I used 8 for my cake. How many are left?

There are 32 children in class 2C. 9 children are absent today. How many child are in school?
