

WONDER

Shawn Mendes

CHOOSE THE CORECT OPTION!

I wonder if I'm being weird / real

Do I speak my truth / true or do I filter how I feel?

I wonder, wouldn't it be nice / good

To live inside a world that isn't black and white?

I wonder what it's like to be my family / friends

Hope that they don't think I'll forget about them

I wonder

I wonder

CHORUS:

Right before I close my arms / eyes

The only thing that's on my mind

Been dreaming / hoping that you feel it too

I wonder what it's like to be loved / laughed by you

I wonder what it's like

I wonder what it's like to be loved by

I wonder when / why I'm so afraid

Of saying something wrong, I never said I was a saint

I wonder, when I cry into my hands / cans

I'm conditioned to feel like it makes me less of a man

And I wonder if someday / something you'll be by my side

And tell me that the world / day will end up alright

I wonder

I wonder

REPEAT CHORUS
