In this short play by Bahamian author, Susan J. Wallace, characters portray the daily lives of people who buy and sell numbers. Even though many people are involved in the number business like pastors, policemen, taxi drivers and so many others, this is an _____ 1 practice. The number seller can conduct her dealings quite successfully. Miss Leila is a fruit and vegetable _____ 2 but she is also the _____ 3 who sells numbers. King Tut is one of the _____ 4 books that people use to interpret dreams so that they can buy their number combinations. If her _____ 5 win, Miss Leila earns twenty-five _____ 6 of their money. Miss Leila has contacts who can _____ 7 her if the police intend to _____ 8 her stall. Mae and Millie are _____ 9 gamblers. Ezra, Mae's husband, is a _____ 10 at the phone company. He is unaware that every day, just after he leaves for work, his wife has another life. In three lively scenes, Susan Wallace entertains and informs.
