

MUSIC7 L2-Activity

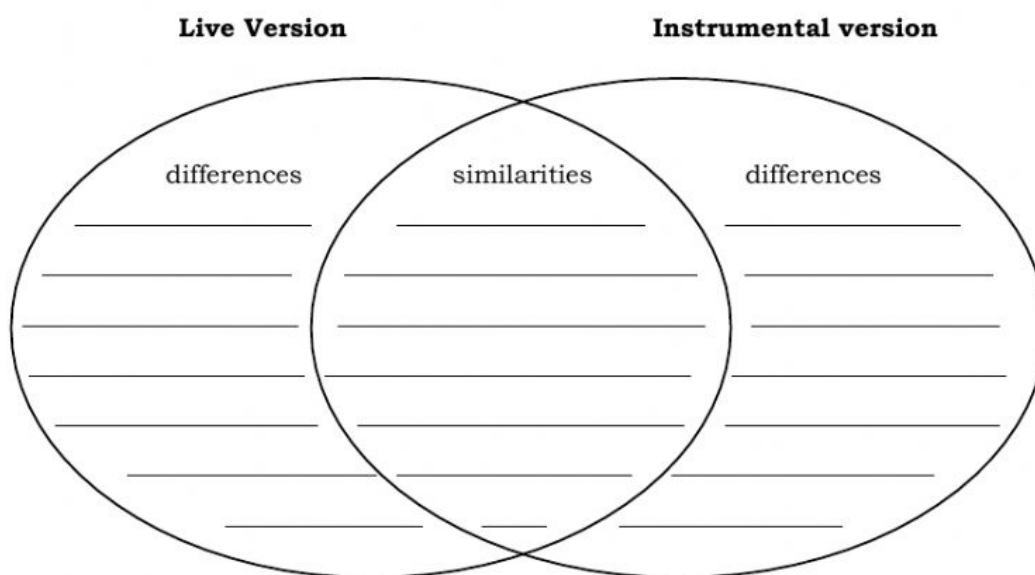

What's New

Listening activity

Try singing these songs by yourself. Then listen to the music samples of the same folk songs provided by your teacher. Compare the “*live version*” to the instrumental version. Write your observation on the Venn diagram.

- Which version is simpler?
- Are there any changes in the music elements used in your version and in the instrumental version?
- What are those changes?
- How about the instrumental version? What are the different musical elements present?
- What are the instruments used? How does each instrument sound?
