Song: HAPPIER

Lately, I've been, I've been thinking
I want you to be happier, I want you to be
jappier.

When the morning comes
when we see what we've become
in the cold light of day we're a flame in the
wind

not the fire that we've begun.
Every argument, every word we can't take
back

'cause with the all that has happened
I think that we both know the way that this
story ends,

Then only for a minute,
I want to change my mind
'cause this just don't feel right to me

I wanna raise your spirits
I want to see you smile but
know that means I'll have to leave

to leave.
