

MY ART LESSON

Hi! My name is Sarah Blue. I'm 13 years old and I'm American. I live in Dallas. I'm in the year 6, class A, at St. Mary's school. My favourite subject is Arts and my favourite day is Friday.

Today is Friday and my first lesson is Arts and Crafts and it's a double lesson. I love it!!!! My

partner is Tom Riley and we are drawing the ships and a port.  I'm drawing colorful ships and small boats. Our theme is the sea. Tom loves sea creatures a lot. My best

friend Julie is drawing a big silver fish.

The fish is swimming across the corals.

Her partner is Mike and he is drawing a shark with sharp teeth.

Mike likes sea

animals and he always draws wild animals. At half past ten it's break time. I've still got another lesson in the morning. It's P.E., a double lesson, too. At a quarter past midday it's lunch time. We will eat at the school cafeteria with Julie. I will eat a big cheese burger, because I love them. Julie prefers salad and sandwiches. Tom never eats food at school. He prefers to go home, because his mother cooks delicious food for him. She sometimes cooks for us, too. She makes pizza or pasta on Thursday evenings.

In the afternoon I've got two subjects: History and English. History is a double lesson. We are learning about The Vikings this week. It is really an interesting subject. English is the last lesson of the day and of the week...
