

Perfect

- Listen to the song "Perfect" by Ed Sheeran and write numbers 1 to 7 to put the song in order.

And follow my lead

I never knew you
were the someone
waiting for me

I found a love for me
Darling, just dive right
in

Well, I found a girl,
beautiful and sweet

Darling, just kiss me slow,
your heart is all I own
And in your eyes, you're
holding mine

'Cause we were just
kids when we fell in
love

Not knowing what it was
I will not give you up this
time

• **Match the phrases of the song.**

Baby, I'm dancing in the dark

Barefoot on the grass,

When you said you looked a mess,

But you heard it,

Well, I found a woman,

She shares my dreams,

I found a love,

To carry love,

we're listening to our favorite song

I whispered underneath my breath

stronger than anyone I know

with you between my arms

I hope that someday I'll share her home

darling, you look perfect tonight

to carry children of our own

to carry more than just my secrets

• **Write the word that completes the song.**

We are still kids,
but we're so in love
Fighting against all _____

I see my _____ in your eyes

Baby, I'm dancing in the dark,
with you _____ my arms
_____ on the grass,
