Hello dear fans of adventures. (0) for reading my blog and for loving extreme sports!

I'm spending this vacation in California. I (41) been to many places. Last Wednesday, for example, I arrived at a wonderful place called Sequoia National Park. There's (42) amazing about it, it's surrounded by the world's largest living things, the sequoia trees!

It (43) been nice and warm so I went for a long walk very early (44) the morning. There's nothing like waking up here. If you are looking (45) a mountain adventure, this is the place for you. You can find everything from a cozy mountain lodge to a glowing tent cabin. Park planners have created wonderful scenic drives so you can see big trees, impressive peaks, canyons (46) rivers.

(47) are so many activities you can do that you will never get bored. I don't want (48) leave this place. I'll share some photos with you I'm sure you (49) find spectacular, but I will upload them tomorrow to make things (50) interesting!
