

Exercise 2: Script categorization

Work individually. Match the following key information with phrases in presenting Sai Thong Beach script.

Greeting the tourist	Attractions in the town	Getting ready to move on
Importance	Location	Name of attraction
Interesting things to see	Activity at the attractions	Asking question
Ending	Moving to the next attraction	

Key information	Phrases
	Good afternoon everyone. We are heading to Khokkrachai
	There are many interesting attractions in Khokkrachai, for example 100-year-old Wooden Bridge, Khao Sam Klea and Lam Chae Dam.
	The first attraction is Saithong Beach which is part of Lam Chae Dam.
	It is located at Moo 4 Ban Makhamong, Khonburi District, Nakhon Ratchasima Province.
	It is important because you can experience fresh air with endless beach view.
	It is famous for the recreation place of Nakhon Ratchasima with magnificent view and local way of living.
	There are many interesting things to see, for example. We will see endless beach view, mountain and white Buddha image on the top of the escarpment.
	We can play water sports, swim, take a photo, take a walk, breathe fresh air, and take a look at the local fishermen's way of life.
	Our next attraction will be the Lam Chae Dam Crest.
	This is all for the information of Sai Thong Beach.
	Do you have any questions?
	If not, let's move to the next place.
	Please follow me this way.
