Song: Nothing Breaks like a heart (Mark Ronson, Miley Cyrus)

1.	Listen and number the lines.
	And nothing breaks like a heart
	Things fall apart, but nothing breaks like a heart
	This world can hurt you
	It cuts you deep and leaves a scar
	Notice you doop and loaved a coal
2.	Find the word that is extra.
	I heard you on the phone at last night
	We live and die by pretty old lies
	You know it, oh no, we both know it
	These silver bullet cigarettes burn
2	0
	Complete with the correct word.
	This burning, there's nothing left
	It's smoking, we bothit
	We got allto fall in love
	But just like that weapart
	We're, we're
4.	Choose the word you hear.
	(Pre-Chorus)
	Well nothing, nothing gon' save / have/ blame us now
	(Chorus)
	Well, there's broken violence / solace / silence
	By thunder dashing / crashing / bashing in the dark
	(Dash / Crash / Bash in the dark)
	And this stolen / broken / taken record
	Spin endless circles in the car / far / bar (Spin' round in the car / far / bar)
	(-p
5.	Listen and number the lines
	And nothing breaks like a heart
	Things fall apart, but nothing breaks like a heart
	This world can hurt you
	It cuts you deep and leaves a scar
	it cuts you deep and leaves a scal
c	Complete with the words from the table
0.	Complete with the words from the table
	hald what leave high blassic and do so have doubt
	hold what know high blowin' said dry we leave drunk
	AM-III
	We'lleach other cold as ice
	And and, the desert wind
	ls, is
	Rememberto me?
	werein love in Tennessee
	And Iit, we bothit (Pre chorus and chorus)
