Instructions: In the next exercise you will read the text “A lovely house” and answer the questions using long answers:

A lovely house

We visited a lovely house. We were there last night. It was about 100 years old, and we wanted to buy it immediately. There were four bedrooms upstairs, downstairs there was a beautiful dining-room, and the living –room was very big. The kitchen at the back of the house was large too, and very modern.

Outside there was a beautiful garden with a stream. We loved the house! The only problem was the price. I was sad because I couldn't buy it.
