The most difficult thing for many people is to sit in a place that is full of the smell of cigarettes. When you visit an internet cafe, the first thing you face is the unpleasant smell of cigarettes. It's completely not healthy to stay in such a bad place. In the past people used to smoke only in public cafes, but nowadays people smoke everywhere, in the restaurant, offices, street, parks, even in the hall of the hospital. It is clear that smokers can face many health problems such as lung cancer because scientists established the relationship between lung cancer
