

## UN GOALS VIDEO

### Watch the video and circle the correct option:

1. What you do in life
  - A. Has an effect on the UN goals.
  - B. It is not important because the problems are big.
2. To change something
  - A. Start with a list of things you like.
  - B. Talk to someone in the UN

### Tick some of the options mentioned:

1. Refuse to use a plastic bottle, a straw or bag.
2. Take out plastics from the sea.
3. Treat everyone with kindness and respect at school.
4. Go to a different school.
5. Eat less meat each week.
6. Become a vegan.
7. Do some research, investigate.
8. Tell other people about what you are going to do.

**Match the picture to an action:**

<p>Talk to people</p>	 A cartoon illustration of a person on a skateboard at a playground. There is a blue slide, a swing set, and a tree in the background.
<p>Work with friends or family</p>	 A cartoon illustration showing a group of people gathered around a table with food. A blue van is parked nearby, and one person is walking towards it.
<p>Clean up the local park</p>	 A cartoon illustration of a group of diverse people in a community center or indoor park setting. Some are standing, some are sitting, and there are tables with items on them.
<p>Organize a food drive</p>	 A cartoon illustration of a large group of diverse people participating in a community event. Some are playing instruments, some are on a bicycle, and some are holding items.
<p>Feel confident about doing something nationally</p>	 A circular graphic with a central image of a classical building with columns. The circle is divided into many colored segments, resembling a wheel or a compass rose.
