My name is Paul. I really like school, but my favourite time of the day is lunchtime! The food at my school is great. There are lots of different things, and it's always healthy. You can have a different meal every day.

Some of my friends bring a packed lunch, but I always eat in the canteen. We usually sit together at lunchtime, so that's OK. My favourite meal is spaghetti bolognese. I know it isn't a difficult recipe, because I make it at home, but the bolognese they make in the canteen is delicious. I usually drink apple juice or orange juice.
