

Listen again, and fill in the blanks. (Track 88)

If you 1 _____ like me, 2 _____ probably have 3 _____ couple of 4 _____ plants around 5 _____ apartment or 6 _____. Have those 7 _____ been in 8 _____ same old 9 _____ for a 10 _____ time? If 11 _____, then it 12 _____ be time 13 _____ put them 14 _____ new pots. 15 _____ a plant 16 _____ a new 17 _____ isn't difficult. 18 _____ just need 19 _____ keep in 20 _____ a few 21 _____ tips so 22 _____ your plant 23 _____ get the 24 _____ benefit from 25 _____ move.

Before 26 _____ actually try 27 _____ move a 28 _____ from an 29 _____ pot to 30 _____ new one, 31 _____ should water 32 _____ plant really 33 _____ and let 34 _____ sit for 35 _____ day or 36 _____. It will 37 _____ easier to 38 _____ with the 39 _____ if the 40 _____ is a 41 _____ wet.

When 42 _____ are ready 43 _____ take the 44 _____ out of 45 _____ old pot, 46 _____ by carefully 47 _____ your hand 48 _____ over the 49 _____ of the 50 _____ pot. The 51 _____ of the 52 _____ should be 53 _____ two of 54 _____ fingers. Then 55 _____ the pot 56 _____ down and 57 _____ the edge 58 _____ the pot 59 _____ something. If 60 _____ plant does 61 _____ easily come 62 _____ of the 63 _____ by doing 64 _____, try tapping 65 _____. You can 66 _____ the tapping 67 _____ using a 68 _____ to loosen 69 _____ soil around 70 _____ inside of 71 _____ pot. The 72 _____ should come 73 _____ after that. 74 _____ you have 75 _____ plant out 76 _____ its old 77 _____, you are 78 _____ to move 79 _____ to its 80 _____ home. There 81 _____ be enough 82 _____ in the 83 _____ of the 84 _____ pot so 85 _____ the plant 86 _____ about three 87 _____ below the 88 _____ of the 89 _____. Pour dirt 90 _____ the new 91 _____ all around 92 _____ roots and 93 _____ the soil 94 _____ lightly. After 95 _____, give the 96 _____ some water 97 _____ keep it 98 _____ of direct 99 _____ for about 100 _____ week. That 101 _____ all it 102 _____ to move 103 _____ plant to 104 _____ new pot!
