Complete the conversation

Mark: Hey. What are you doing?

You:

Mark: I'm trying to do my homework. I have to write about a hobby I like, but I can't think of one! What's your favorite hobby?

You:

Mark: Cool! How long have you done it?

You:

Mark: And why do you like doing it?

You:

Mark: It sounds great! What skills has this hobby taught you?

You:

Mark: Is there another hobby you want to try?

You:

Mark: Me too! We should do it together one day!
