Accidentally in Love

So she said, "What's the problem baby?"	I want to hear you
What's the problem I don't	Come on, come on
Well maybe I in love, think about	Settle down my love
it every time	
I think about it, can't stop thinking 'bout it	Come on, come on
	Jump a little
	Come on, come on
How muchwill it take to cure this	If you feel a little
Just to cure it 'cause I can't	Come on, come on
it if it's love	We once upon a time in love
Makes me wanna turn around and face me	Moleo in love
But I don't know about love	We're in love
	Accidentally in love (x 3)
Come on, come on	Accidentally
Turn a little	I'm in love, I'm in love (x3)
Come on, come on	Accidentally
The will after	I'm in love, I'm in love (3)
Come on, come on	Accidentally
Because everybody's after love	
	Come on, come on
	Spin a little tighter
So I said, "I a snowball	Come on, come on
"	And the is a little
Running down into the spring	
That's all this love under	Come on, come on
Blue skies belting out sunlight, shimmering	Just yourself inside her
love	Love, I'm in love
Well baby I surrender to the strawberry	
well baby i surrender to the strawberry	
Never ever end of all this love	
Well I didn't mean to do it	
But there's no your love	
your love	
These lines of lightning	
Mean we're never	
Never alone, no, no	
Cama an	
Come on, come on	
Move a little	
Come on, come on
