

MATH is just a total problem.

A boy with black hair, wearing a red and black striped shirt, sits at a desk with a pencil and an apple. A large question mark is above his head.

$$\begin{array}{l} \text{shoe} + \text{shoe} + \text{shoe} = 30 \\ \text{boy} + \text{boy} + \text{shoe} = 20 \\ \text{book} + \text{book} + \text{boy} = 13 \\ \text{shoe} + \text{boy} + \text{book} = \boxed{} \end{array}$$

I HAVE SIX EGGS
I BREAK TWO
I FRY TWO
I EAT TWO
HOW MANY EGGS ARE LEFT?
