9 + 0 =

A visual addition problem. On the left, a blue rounded square contains a white box with 9 black dots arranged in a 3x3 grid, with the number '9' in the top left corner. This is followed by a plus sign '+'. Then, another blue rounded square contains a white box with 1 black dot in the center, with the number '1' in the top left corner. This is followed by an equals sign '='. Finally, there is an empty dashed-line rounded square for the answer.
