(5) Letter:

A) The product is amazing!! It looks exactly like in the pictures, the eyes are lovely and that little donut that it is holding is such a sweet detail! I'm pretty happy with it.

B) To be such an expensive product I was hoping for better quality, to start with the figure has horrible paint job, the material is hideous and it feels slimy, I do not recommend you to buy it.

C) Even though the bags are cute, this is not what I ordered, I actually wanted a Cheetos-shape purse, not a purse with cheetos prints on it, also the zips are pointy and they hurt me when I use them.

D) I am totally in love with this hat!! It is exactly what I've been looking for, the rounded shape fits perfect in my head, it is also really soft and comfortable to use, and it will keep you warm even on the coldest days.

E) The print was the only thing I liked about this T-shirt, what it is supposed to be black looks green, and also when taking it out of the box I realized it was too small it looks like medium and I ordered a plus size one.
