### Describing a scene

**Directions:** Colors and numbers are descriptive language. Look at the picture below. Observe the colors and count the animals. Use those words to complete the sentences below. Then write the paragraph in your written composition note-books.

There are                  cows in the picture.

One cow is                  with                  spots.

The other cow is                  with                  spots.

They are standing under a                  tree.

The sun is                  and                  .
