

Comparatives and superlatives

1. Read and find.

Find the comparative and superlative adjectives and write them in the boxes.

This is my family. I am **taller** than my brother and sister but my dad is the **tallest**. My mum is a vet and my dad is a teacher. I think being a vet is more interesting than being a teacher because you work with animals. I want to be an astronaut – I think this is the most interesting job! Being a vet is **easier** than being a teacher though, because teachers have to correct lots of homework. My job is the **easiest** – I'm a student!
