

FUTURE WITH WILL OR GOING TO?

Read and complete the dialogue with A - E:

A No, we aren't. We're going to watch films about adventures at home!

B Yes, I do. Spaceships will improve and they'll carry more people.

C Yes, that's right. I arrived at the Space Centre two days ago.

D Yes, I am, and I'm going to watch films with my children

E I don't think so. They'll be smaller and helmets won't be as heavy as now.

- Journalist: Hello, Betty! You've just come back from space, haven't you?
- Betty:
- Journalist: Do you think people will have holidays on the moon in the future?
- Betty:
- Journalist: And will space travelers have to wear enormous spacesuits?
- Betty:
- Journalist: So, what are your plans for the next few weeks? You're going to be on holiday, aren't you?
- Betty:
- Journalist: Ooh, are you going to watch space films?
- Betty:
