

# Ordenar los números

 **Ordenar los números de mayor a menor:**

|            |            |            |            |            |
|------------|------------|------------|------------|------------|
| <b>156</b> | <b>642</b> | <b>901</b> | <b>437</b> | <b>293</b> |
|            |            |            |            |            |

|            |            |            |            |            |
|------------|------------|------------|------------|------------|
| <b>810</b> | <b>195</b> | <b>374</b> | <b>786</b> | <b>432</b> |
|            |            |            |            |            |

 **Ordenar los números de menor a mayor:**

|            |            |            |            |            |
|------------|------------|------------|------------|------------|
| <b>627</b> | <b>438</b> | <b>196</b> | <b>517</b> | <b>280</b> |
|            |            |            |            |            |

|            |            |            |            |            |
|------------|------------|------------|------------|------------|
| <b>362</b> | <b>789</b> | <b>245</b> | <b>871</b> | <b>550</b> |
|            |            |            |            |            |
