

THRILLER

It's close to [REDACTED]
Something evil's lurking from the dark
Under the [REDACTED]
You see a sight that almost stops your heart
You try to [REDACTED]
But terror takes the sound before you make it
You start to [REDACTED]
As horror looks you right between your eyes
You're [REDACTED]

'Cause this is thriller, thriller night
And no one's gonna save you
From the beast about to [REDACTED]
You know it's thriller, thriller night
You're fighting for your [REDACTED]
Inside a killer thriller tonight

You hear the door slam
And realize there's nowhere left to [REDACTED]
You feel the cold hand
And wonder if you'll ever see the [REDACTED]

You close your eyes
And hope that this is just [REDACTED]
Girl but all the while
You hear a creature creeping up [REDACTED]
You're out of time
'Cause this is thriller, thriller night (repeat chorus)

*Night creatures call
And the dead start to walk in their
masquerade*

*There's no escaping the jaws of the alien this time
This is the end of your life*

They're out to get you,
there's demons closing in on every side
They will [REDACTED] you
unless you change that [REDACTED] on your dial
Now is the time
for you and I to cuddle close [REDACTED]
All through the night
I'll save you from the terror on the [REDACTED],
I'll make you see

'Cause this is thriller, thriller night (repeats chorus)
