Reading comprehension

María, a girl from La Pampa writes a letter to her friend abroad. Read the letter and choose TRUE or FALSE.

Hi, Anna!

How are you? I am at school now, in my English class. This is Mrs. Susana's class.

We are students at a boarding school, so we stay here from Monday to Friday and we return home during weekends. Here we have got bedrooms and dining rooms. We haven't got a gym but we have got a library, computers and internet access.

What is your school like? Have you got computers? Can we share emails?

Bye!!

María
