

COMPONI E SCOMPONI

1 Componi. Segui l'esempio.

$$3 \text{ da e } 8 \text{ u} = 30 + 8 = 38$$

$$3 \text{ da e } 4 \text{ u} = \dots + \dots = \dots$$

$$3 \text{ da e } 1 \text{ u} = \dots + \dots = \dots$$

$$3 \text{ da e } 0 \text{ u} = \dots + \dots = \dots$$

$$3 \text{ da e } 9 \text{ u} = \dots + \dots = \dots$$

$$3 \text{ da e } 6 \text{ u} = \dots + \dots = \dots$$

2 Scomponi. Segui l'esempio.

$$39 = 30 + 9 = 3 \text{ da e } 9 \text{ u}$$

$$35 = \dots + \dots = \dots$$

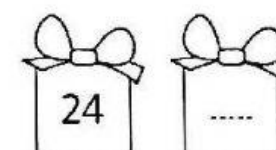

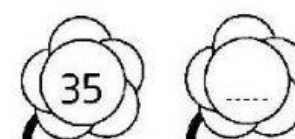

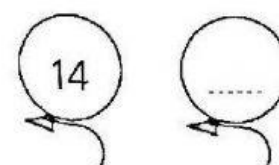

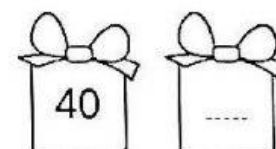

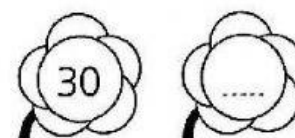

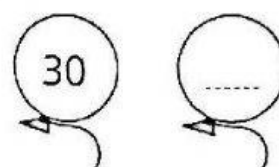

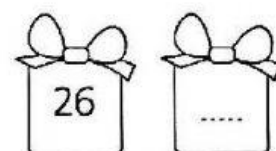

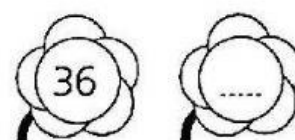

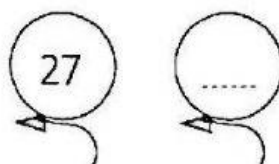

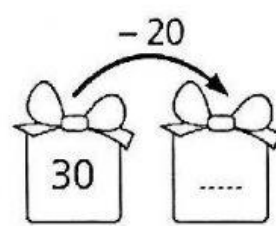

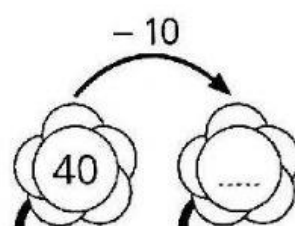

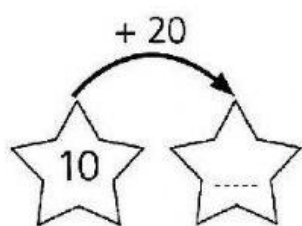

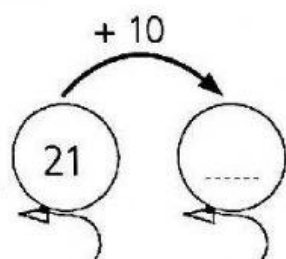

$$37 = \dots + \dots = \dots$$

$$33 = \dots + \dots = \dots$$

$$31 = \dots + \dots = \dots$$

$$32 = \dots + \dots = \dots$$

3 Completa.

Obiettivo Conoscere, ordinare e scomporre con i numeri naturali entro il 40.
