

Listen carefully to the song and select the correct words. Remember some of them are homophones or minimal pairs.

Another head **hands/hangs** lowly
Child is slowly taken
And the **violence/violins**, caused such silence
Who are we mistaken?

But you see, it's not me
It's not my family
In your head, in your head, they are fighting

With their **tanks/thanks**, and their bombs
And their **buns/bombs**, and their guns
In your head, in your head they are crying

In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head, in your head
Zombie, zombie, zombie-ie-ie, oh

Another mother's breaking
Heart is taking over
When the **violins/violence** causes silence
We **must/mass** be mistaken

It's the same old **theme/thing**
Since **1917/1970**
In your head, in your head, they're still fighting

With their **thanks/tanks**, and their bombs
And their bombs, and their **guns/gums**
In your head, in your head, they are dying

After listening to the song, answer the following questions.

- 1- What do you think is the main theme of the song?
- 2- What does the singer refer to when she says everybody are like "zombies"?
- 3- Which words are homophones in the song?
- 4- Which ones are minimal pairs?
