- c. We \_\_\_\_\_ contaminate water
- d. We \_\_\_\_\_ take long showers
- e. We \_\_\_\_\_ smoke cigarettes
- f. We \_\_\_\_\_ use aerosols
- g. We \_\_\_\_\_ throw rubbish to the sea
- h. We \_\_\_\_\_ save energy
- i. We \_\_\_\_\_ cut trees

### II. Put the words below in the box according to if they can help our environment or not.

plastic bags      short showers      turn off appliances when not using  
fumes of factories      use less water      ride bikes      use cars      loud noises

| Help/helps our environment | Don't/doesn't help our environment |
|----------------------------|------------------------------------|
|                            |                                    |
|                            |                                    |
|                            |                                    |
|                            |                                    |
|                            |                                    |
