What about sunrise, what about rain

What about all the things that you said we were to gain
What about killing fields, is there a time

What about all the things that you said were yours and mine
Did you ever stop to notice all the blood we've shed before

Did you ever stop to notice this crying Earth, these weeping shores...

What have we done to the world, look what we've done
What about all the peace that you pledge your only son
What about flowering fields, is there a time

What about all the dreams that you said was yours and mine

Did you ever stop to notice all the children dead from war

Did you ever stop to notice this crying earth, these weeping
shores...

I used to dream, I used to

glance beyond the stars

Now I don't know where we are

Although I know we've drifted far...
