Dear grandma Susan:

I'm sorry I missed your call but I had a very long day yesterday. I'm working long hours and arriving home really late. I got up early, brushed my teeth, watched some TV, cooked a light meal and went straight to the office where I stayed till midnight! It's the end of the month and we have plenty of deadlines!

Luckily, my mates are incredible and so much fun! You have to meet these guys! Perhaps I can take them home with me this summer. We are also planning to go to the beach... I don't know... we've got so many plans!

Anyway, this weekend I'm going back home and I'm staying until Wednesday or Thursday so we'll have plenty of time to catch up! There's no need to say I'm eager to eat some of your delicious home cooked food: your cakes, your chips, your muffins, your salads, your pies, your steamed vegetables....Everything smells and tastes so great in your kitchen!

Can't wait to see you! Love you!
