What can you do to protect the planet ?

Il faut conjuguer les verbes au présent simple ou au futur.

At home:

1. If we (change) our light-bulbs to low-energy light-bulbs, we (save) a lot of energy and we will produce less pollution.
2. If we (turn) off the tap when we brush our teeth, we (save) a lot of water.
3. If we (use) recycling bins, we (reduce) pollution.

When we shop:

4. If we (buy) from companies that reduce carbon dioxide, many companies (try) to reduce their carbon footprint.
5. Less energy (be) spent on transporting goods if we (buy) local products.
6. If we (buy) products with no wrapping, companies (use) less wrapping and they (pollute) a lot less.

When we go to places:

7. If we (cycle) instead of driving, we (reduce) pollution.
8. Our city (be) less polluted if we (take) the bus instead of our car.
