EATING OUT

Make sentences using "WAS" and "WERE" or "WASN'T" and "WEREN'T" to tell us about the last restaurant you visited.

Read this short paragraph as a reference:

> The last restaurant I visited was _"The yummy yummy sea paradise". There were a lot of sea **food** to order. ___There wasn't any food like steak or pasta but everything was delicious.**The drinks** were all juices and there weren't any sodas, _I like juice so it was ok, but my father was not happy with **the service** because the food was too slow and we were very hungry. I was **happy** eating there so I would love to go back.

Now is your turn, remember to mention, the food, the drinks, the service and if you liked it or not.
