

Speaking - Part 3

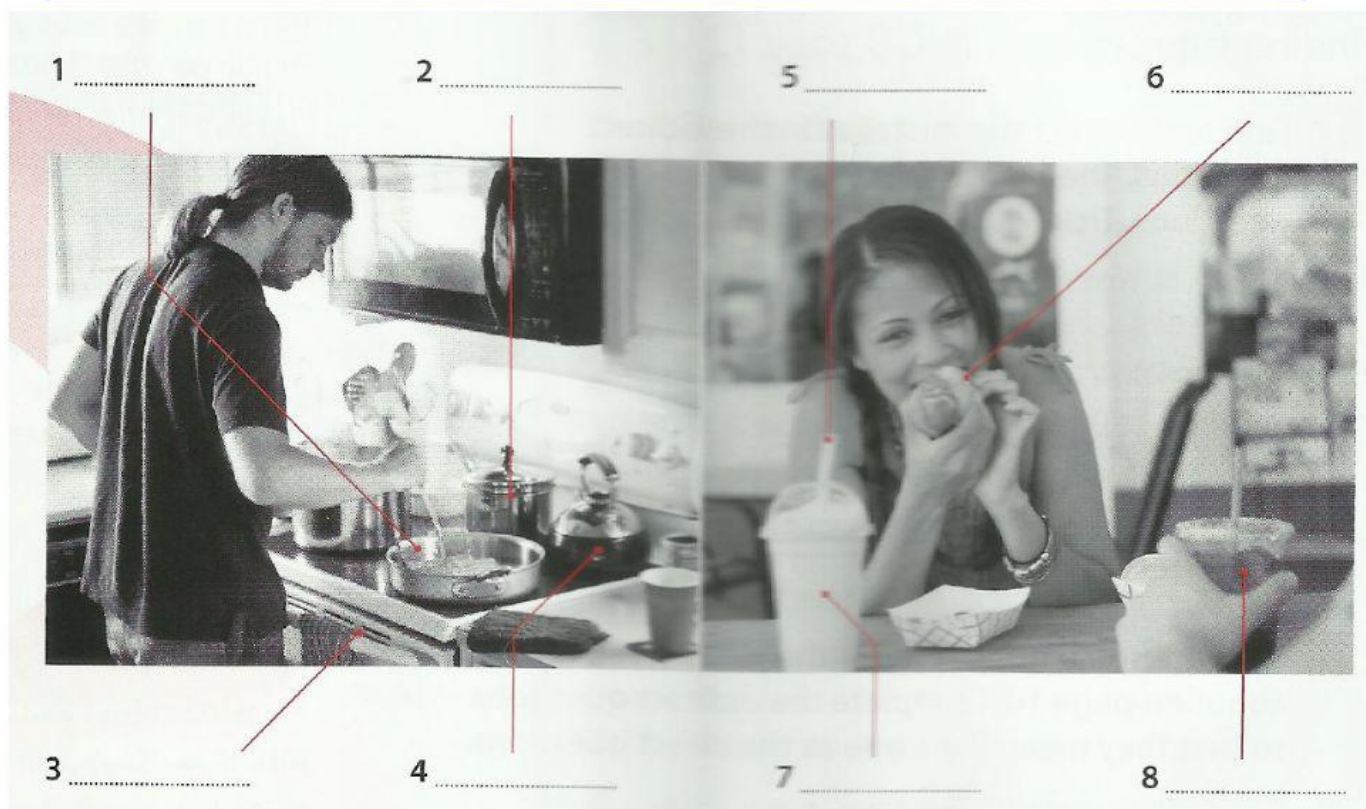

In this part you have to **talk about a photo for a minute**.

Tips:

- Describe what you can see in the photo. It doesn't matter if you don't know the word for something. You can **describe the object instead**.
- You can also say what the people are **doing** and how they are feeling.

1. Look at the pictures. Drag the words from the box and drop them in the correct places.
