

Arrange these sentences below into a good conversation

A : Have you heard about Sumatran tiger hunting news this morning?

B : Yeah, they're so cruel. It's the biggest reason why Sumatran tiger population has been decreasing lately.

B : They deserves it though. I'm sure that organization will do well.

A : I want to save Sumatran tiger or endangered species like them too someday.

A : I know right. They make profit out of its skin.

B :Also, their habitat is tainted, and it's humans fault again.

A : If only they aware of the impact!

B : Fortunately, there are good people that aware of this too.

A : You mean that organization that protect the endangered animals?

B : Yeah, they're heroes. They prevent them from being extinct by protecting them in some ways.

A : They're currently operating wildlife protection project by saving its habitat first.

B : That's cool man. Not only saving Sumatran tiger, they're also helping all animals living there.

A : And they're making even stricter regulations for animal hunters with serious penalty.
