A DAY IN THE LIFE OF A HAIRSTYLIST

(0) _____
Busy and interesting. The salon opens at 11 am and shuts at 7 pm. We are quite popular, so I work from the moment I arrive till the salon closes. Apart from cutting, I colour, perm and straighten hair.

(8) _____
Making a client look good. It's fun and rewarding to see the client so happy when the color and style come together just as she wanted.

8)		

(9) _____
It can be tiring, and sometimes people don't treat you professionally.

9)		

(10) _____
I've always been fascinated by hair. I like fashion and I like meeting people.

10)		

(11) _____
Well, you'd probably have to start as a shampoo girl, but after that it's not too difficult to become a real hairstylist.

11)		

(12) _____
It depends on where you work. Our salon is popular, I am a senior stylist and have my own clients. Starting out ... you usually earn less than £1000 a month. In a small town, it could be a lot less.

12)		

(13) _____
Definitely. Many of the shop's top stylists have worked in Osaka, Paris, or New York .

13)		

(14) _____
I'll work full time as long as I need the money. When I have saved enough, I'll work part time and maybe try something new as well, but I don't know what yet.

14)		

(15) _____
Work hard and keep in touch with the latest trends.
