

CHESS FRIENDS

Meet Herman and Zachary.
Herman is ninety years old.
Zachary is twelve.

Herman and Zachary are special friends. Zachary goes to school and plays sports. Herman doesn't work.

Herman and Zachary have the same hobby. They love chess. They play chess together on Tuesdays. Zachary is very good at chess and he wins a lot of games. He learns from Herman and Herman loves playing with his young friend.

Herman gave Zachary a special present for his birthday. It was Herman's first chess set. It is very old.

Today, a lot of young and old people also play chess together. Age isn't important for friends who like chess!
