These are my friends. We all go to the same school. Can you find and write their names, ages, hometowns and favorite lessons?

We play volleyball with Alperen in the breaks. He is good at P.E and History. He is hardworking. He is from Sivas and twelve years old.

My deskmate is Hayal. She is eleven. She is good at History. She is from the capital city, Ankara, too.

Batu and Yiğit are sitting in front of us. They are sociable. They aren't from Ankara. Batu is twelve and Yiğit is eleven. They are good at Maths.

My best friends are Asmin and Nilay. They are beautiful and lovely. They are 11 and their favorite subject is IT. Nilay is from Ankara, Asmin comes from Sivas.

Ela is my schoolmate and neighbor. We play in the park together at weekends. She is cute. She is good at Maths. She is from Adana and she is 11.
