A New Teen Trend

Teens all over the world like taking selfies and posting them on Instagram. But today, teenagers have got a new trend. They make videos of their morning routines and put them on YouTube. You can type the words "Morning Routines" into YouTube to find many videos showing how teens get ready to go to school. Some videos have got more than two million views! The videos usually start with a good-looking girl or boy getting up. The first thing the teen does is have breakfast. Then, the teen has a shower and gets dressed. During the video, the teen talks to the camera and describes his or her actions.

Why do teens watch these videos? First of all, most teens like watching reality shows. These videos are like reality shows about teenage life. Also, teens like watching popular girls and boys so they can try to be like them.

What is the new teen trend?

- a posting selfies on Instagram
- b putting "Morning Routine" videos on the Internet
- c watching reality shows
