ACTIVITY 2: Read this mail from a fan that is in a magazine called Pop Star

Who are your favourite stars?

Have you ever met them? Have you ever dreamed about them?
Are you a fan or a superfan? Meet our superfan Charlotte Cox!

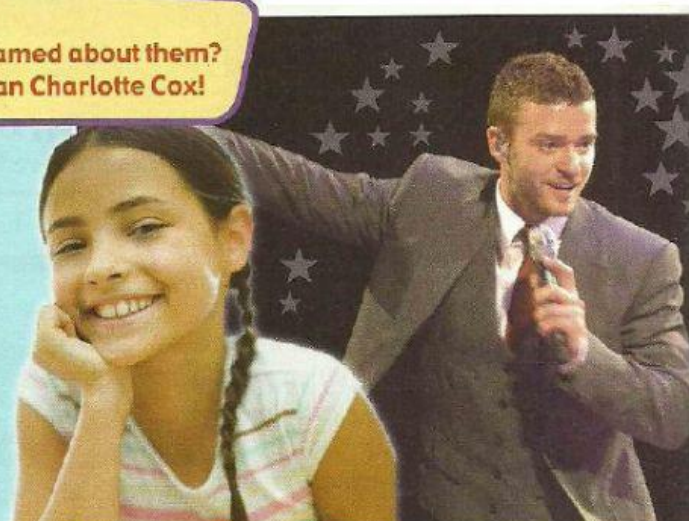

My favourite star is Justin Timberlake. He's a fantastic singer and dancer. I've got all his albums and I've been to twenty of his concerts too, but I've never met him. That's my dream!

There are 36 posters of Justin on my bedroom wall, and a photo with his autograph on my desk. I've had three Justin Timberlake birthday cakes and four Justin Timberlake calendars. My JT diary is very special! I put concert tickets and photos from concerts in it – it's very cool!

I give Justin a birthday present every year. I've never talked to him, but I know a lot about him. Check out my JT factfile! Am I a superfan? Yes, I am!
