a Complete the conversation using expressions from **3a**.

- A** OK, so you take three eggs and break them into a bowl.
- B** Sorry,? Was that three or four?
- A** Well, it depends how many people are eating. One egg per person is usually enough.?
- B** Yes, perfect sense! Do you use the whole egg or only the whites?
- A** The whole egg. You beat the eggs and then you add them to the bacon and mushrooms in the pan.
- B** that the bacon and mushrooms have already been fried?
- A** Yes, that's right. So you add the eggs, and let it cook slowly while you stir. Are?
- B** Yes! On a low flame, right?
- A** Yes, that's right. And keep stirring the whole time. It only takes about two minutes.
