

The Writing Process

Match the steps of the writing process with the correct description.

<i>Editing, Prewriting, Publishing, Revising, Drafting</i>

- 1) _____ ***Create a rough draft that will later be improved on. Organize your ideas into sentences and paragraphs.***
- 2) _____ ***Write a final copy of your corrected writing. Get ready to share a copy with your readers.***
- 3) _____ ***Review and improve your draft. Make changes or additions in word choice and organization.***
- 4) _____ ***Choose a topic. Brainstorm and organize ideas. Collect information.***
- 5) _____ ***Make corrections to spelling and grammar. Reread each sentence to ensure that they make sense.***
