

Thanksgiving Real World Math

In the magical town of Mathisthebest, the tax rate is 0.5% 😊 Round all answers to the nearest penny.

Collect the prices of the following items:

Item	Ad Page Number	Cost for 1
Tippin's pumpkin pie	1	\$9.99
C and H granulated sugar	1	\$1.88
Honeysuckle white frozen turkey breast (per pound)	1	\$1.68
Idaho russet potatoes bag	1	\$1.50
Baby Carrots	2	\$2.50
Sweet yellow onions (per pound)	2	\$0.88
Ocean Spray cranberry sauce	4	\$2.50
Brown or country gravy mix	4	\$0.69
Highland butter	1	\$2.00
Pepperidge Farm cubed stuffing	4	\$2.50
Honeycrisp Apples	1	\$0.88
Brussel Sprout Stalks (each)	2	\$2.98

1. What is the price for 4 Tippin's pumpkin pies and two C and H granulated sugars with tax?
2. How much is 4 cans of Ocean Spray Cranberry Sauce and 3 bags of Pepperidge Farm cubed stuffing with tax?
3. If you go to Reasor's and buy a bag of baby carrots and 2 packets of Brown or country gravy mix, how much will that cost altogether with tax?
4. Look at question 3. How much change would the cashier give back to you if you pay with a \$10.00?
5. Which costs more: two bags of Idaho Russet potatoes with tax or two bags of baby carrots with tax?
6. Each pack of Highland butter has 4 sticks of butter inside. If you need 20 sticks of butter to make Thanksgiving dinner, how many packs of butter do you need to buy?
7. Look at question 6. How much will all this butter cost, with tax?
