

## BUTTERFLIES METAMORPHOSIS

Four horizontal blue rectangular boxes stacked vertically, intended for writing notes or answers.

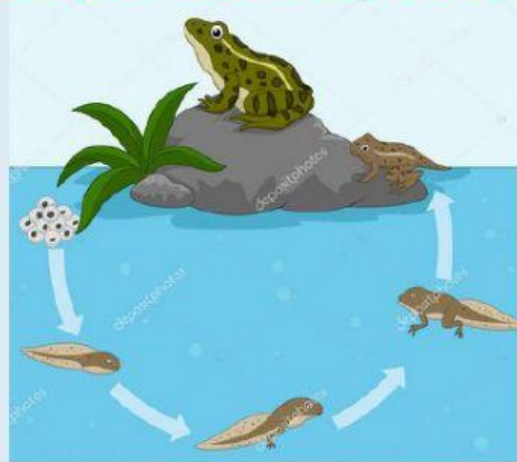

**Next, they have a lot of legs. They are caterpillars.**

**First, the butterflies are small eggs.**

**Finally, they have wings and they can be of different colors, blue, red, orange, etc. They're butterflies.**

**Then they are cocoons.**

## FROG METAMORPHOSIS

Four horizontal blue bars for writing.

**Finally, they are frogs and they can jump.**

**Then, they are big tadpoles. They can swim fast.**

**Next, they are small tadpoles. They have a small tail.**

**First, there are small eggs in the water.**
