Weather Forecast

We can hear and see many things on the news. One thing we can watch on the news is the weather forecast. New anchors tell us the weather forecast for the day and the week. This way, we can try to plan our week and know what to wear outside.

Task: Label one thing that we see on the news.

(Teacher choose one)

SUGGESTED CUE/S:

“Show me the weather forecast.”

“Where is the weather forecast?”

Student Name: _____ Date: _____

Task: Read the passage below.

Say: “We can read about the news using technology. People with smartphones can read the news on their phones. People can go to news websites and read the news on a computer as well.

Task: Identify the news website.

(Teacher choose one)
SUGGESTED CUE/S:

“Show me the news website.”
“Can you point to the news website?”
“Where is CN
