Third Person Point-of-View

This morning my friend told me it was "Clear the Shelter Day." I begged my mom to take me, and she agreed. I couldn't believe she said yes. I have wanted a pet dog for as long as I can remember. When we arrived to the shelter, I got to play with three cute dogs. I threw the ball and watched as each dog ran back excitedly to play some more. My mom's face looked concerned. I was afraid she would change her mind.

After playing with the three dogs, I was still not sure which one I wanted to take home. I went back to the kennels to pet each dog. When I got to Paws' kennel, he rolled over to his back and let my mom rub his belly. I could tell my mom loved this dog just as much as I did. I am so excited to bring him home with us.
