**FINAL TEST**

**Pre- Teens 2**

**A) Read the text and answer the questions below. (30)**

**The life of a teenager in South Africa**

My name is Buhle. I'm sixteen years old. I live with my parents in a house in Johannesburg, about 60 kilometres south of Pretoria, the capital of South Africa. There are two bedrooms. My parents have got one and I've got the other. I've got a younger brother but he lives with my grandmother.

I go to Greenside High School. The school is very near so I usually walk there. It's a big school with big classes. There are 56 students in my class. My teacher has a difficult job! English is my best subject but I like all subjects.

My main hobby is the Internet. At the moment I've got four websites. They're all about South Africa and life in South Africa. I want people to know about my country, about people's lives, and the things that South African teenagers like doing.

I love sports, and I can play hockey and volleyball very well. I also like the cinema, comics and all types of music. There's plenty to do in my neighbourhood at the weekend. There's a big cinema complex with twelve screens, a theatre, a huge sports centre and a big shopping mall. Last Saturday I went there with my friends. We watched an action movie and then ate some burgers. We had a great time!

I've got lots of plans for the future but my dream is to travel and visit other countries of the world.
