

## Part II Cloze

Choose the best answer to complete the text.

When Melissa was in college, she \_\_\_(1)\_\_\_ shopping at flea markets. She usually could find clothes for under US\$2. Sometimes, she could find something like an old, beautiful \_\_\_(2)\_\_\_ from the 1920s for only a single dollar. This was what she liked best—old, vintage clothing.

Melissa was also good at \_\_\_(3)\_\_\_ her clothes. She had a good eye for what could be resold. On occasion, she made \_\_\_(4)\_\_\_ money to pay the rent, or even her university tuition for the semester. After Melissa graduated, she found a job in a law firm. \_\_\_(5)\_\_\_, she makes a lot of money and usually wears designer clothes. But she hasn't forgotten the good old days. In fact, she looks back on them fondly, as a time when she had a lot more fun.

Linda is shopping in the women's clothing department. She is looking \_\_ (6) \_\_ a jacket. The clerk shows her some jackets that came in last week. Linda doesn't like the \_\_ (7) \_\_ of the jackets. She wants a black one. The clerk tells her that the store is sold \_\_ (8) \_\_ of them. He can \_\_ (9) \_\_ one for her. It will arrive in two weeks, but Linda doesn't want to \_\_ (10) \_\_ that long. The clerk wants to show her some other jackets and Linda agrees.
