Italy

I'm from a country in Europe. It isn't a very big country, but the population is over 60 million. It is in the south of Europe and it's usually very hot in the summer. My country is famous for pizza and spaghetti.

The USA

I'm from a country in North America. New York City is one of the biggest cities but it isn't the capital, that's Washington, D.C. In the summer it's very hot in the south of the country, but in the winter it is very cold in the north. Baseball, basketball and American football are

our favourite sports.

India

I'm from a very big country in Asia. The population is over 1 billion! The capital is New Delhi. We have got some high mountains, the Himalayas, in the north of the country and seas and an ocean in the south. The country is famous for its history and culture.

Mexico

I'm from a big country in North America. The capital is Mexico City, and the population is about 120 million. We have got very hot weather in some parts of the country. We love football, but not American football!

A lot of people come to my country for their holidays.
